THE SENIOR CLASS
POMONA CATHOLIC HIGH SCHOOL
POMONA, CALIFORNIA

Best of Luck

Valiant peerless Guide.*

THE HISTORY

In autumn of 1949 the doors of Pomona Catholic High were opened to the youth of Pomona Valley. For years the pastor, Rev. Thomas P. English, had realized the great need for a Catholic high school in this particular locality. Under his intelligent leadership and untiring zeal, and with the concerted effort of the parish the attractive high school building was obtained. To staff the school the Felician Sisters were persuaded to come West.

We owe many thanks to Very Reverend Mother M. Simplicita, the superior general, and to Reverend Mother M. Felicitas, the superior of the Chicago Province, for undertaking this project and implanting the spark of the Midwest into the far West.

The school has a spacious library and twenty modern classrooms, six of which are laboratories. The program of studies contains various curricula and subjects of varied content to enable the student to broaden his spiritual, intellectual, and physical horizons. The integrating factor of our school life is the Catholic Philosophy, which aims at the development of the whole man, and educates man to seek the Eternal Truth.

This year Pomona Catholic High School has functioned as a full-fledged senior high school. Under the efficient directorship of Father Murphy the athletic program has flourished. The students keeping pace with the program have won the Catholic Conference football, baseball, and track championships for the last three consecutive years. Thus, with a thrill of pride the members of the first graduating class present this brief history of Pomona Catholic High School — a school second to none.

Dedication

To ST. JOSEPH, model of fidelity, the Seniors dedicate the first edition of the Fideian. We invoke His intercession to keep us ever faithful to Catholic heritage and ideals, and to the traditions and counsels of our Alma Mater.

To FATHER ENGLISH, on the occasion of his Silver Jubilee, and in recognition of his efforts to further Catholic education, we dedicate this yearbook as a sincere gesture of our gratitude and appreciation.

Foreword

To present and preserve the glories, achievements, and resplendent memories of the first graduating class of Pomona Catholic High School has been the goal of the staff. Cognizant of the fact that throughout the high school days the students have been motivated by the spirit of the Alma Mater to remain STEADFAST in faith, STRONG in will, and FAITHFUL to its traditions, this inspiring theme was incorporated in to our yearbook.

It is hoped that this volume will be not only a living journal of the students' high school years, but also an inspiration and a challenge to future classes.

His Eminence J. Francis Cardinal McIntyre

Pomona Catholic High School is indeed fortunate in having as our leader and guide His Eminence, J. Francis Cardinal A. McIntyre, who championed the sacred cause of parochial education in the Great West. May His Eminence be blessed with a long life to continue his memorable work both as a Prince of the Church and as an outstanding Educator.

To the

POMONA CATHOLIC HIGH SCHOOL:

On the occasion of the "First Birthday" of your Annual High School publication, I wish to express hearty congratulations.

Knowing of the splendid spirit and accomplishments of your school, I am confident that God's blessings are guiding the Faculty and the Student Body.

Praying for you all the constant watchfulness of Our Lady, I am

Faithfully yours in Christ,

ARCHBISHOP
of
Los Angeles

Our Administrator

REVEREND THOMAS P. ENGLISH

To Father English, patient and efficient administrator of Piedmont Catholic High School, the students owe a debt of loyalty and heartfelt gratitude. Through your inspiring devotion to the cause of Catholic Education, you have sought to encourage us in the daily practice of the Faith and the acquisition of virtues which will be of inestimable value in our future lives.

Moreover, you have provided adequate facilities for the growth of intellectual, moral and physical. You have been the guiding light behind our studies and the comforting assurance in our failures. As the students, we shall endeavor to live in conformity with the Christian ideals set before us during our years at school.

REVEREND JAMES MURPHY

His intelligent and friendly personality, as well as his kindly and unassuming attitude's temporal and spiritual well-being, has won many friends for Father Murphy. He is fully deserving of our sincere thanks, our deepest respect, and our earnest cooperation. By his undaunted effort he laid the groundwork for the future progress which brought many honors to the Catholic Church.

REVEREND FRED CALLAHAN

Father Callahan, a man of many talents, was a true leader in the Catholic community. His alertness in helping us through our room discussions or in casual contact will always be remembered and appreciated. To all who knew him, we offer our sincere thanks and appreciation.

REVEREND JOSEPH CARRIER

Father Carrier, a man of many talents, was a true leader in the Catholic community. His alertness in helping us through our room discussions or in casual contact will always be remembered and appreciated. To all who knew him, we offer our sincere thanks and appreciation.

His Eminence, Cardinal McIntyre, at the dedication.

Tribute to the Faculty

T

The Felician Sisters have been more to us than just teachers. They have felt a keen interest in each student personally, and have had a deep understanding of that student's problems. Through their efforts, hidden talents have been discovered and latent ambitions for worthy endeavor have been fostered.

The seniors wish to acknowledge their deep appreciation to the Faculty for their diligent instruction, their friendly understanding, and their holy inspiration.

The P. T. A. has been extremely busy and productive in the past year. Two events, the P. T. A. Fair and Bingo, were held, through the generosity of the P. T. A. members, the school was furnished with a new generator and visual-aid equipment.

The P. T. A. has also been very active in the P. T. A. Meeting, which is held every month. Through the P. T. A. members, the school has been able to hold a number of retreat days, and retreat days.

Student Government Promotes Good

Always anxious to provide for the welfare of the student body, the student government has operated jointly with the faculty to develop the ideal Catholic boy and girl, foster good citizenship, and promote wholesome school spirit. This association, which is divided into three functional groups: the student council, the upper and lower house, and the student court, served as a clearing-house for ideas developed in respective homerooms.

To further promote democratic thinking and living, the student court, which was organized this year, interpreted the rules and prosecuted the defendants for infractions of school regulations. Carl Naschak, the chief justice, met with the court on Wednesdays. Periodically, the court sessions were open to the students.

Law enforcement was vested in the Senior Control Board. These members were selected from the Service Leagues: the Key Club and the Philotheans.

The Upper House, under the guidance of the ASB president, discusses.

Senior Wins "Miss Fidelian" Title

Mary Borba reigned as Queen of the Sodality Ball sponsored in May by the Socialists. Her court was composed of runners-up, who vied for the coveted title. The Maids of Honor seated from left to right are Esther Rodriguez, Marguerite Bourgeois, Miss Fidelian, Judy Brannan, and Jackie Kuras.

In September the Juniors zealously entered their first year as upperclassmen. Eager to start their whirl of activities, the Junior officers planned immediately to set up committees for Freshmen Initiation. They displayed their versatility and showmanship in clever skits and fund raising programs.

As the year progressed, the Juniors proved to be diligent and able workers. Their calendar was filled with assembly programs, monthly days of recollection, ring selection, and the Senior Junior Prom.

Although their social life was filled with activities, their scholastic record was commendable. Eight juniors were elected to the Honor Roll for high scholarship.

A very active group of Freeman officers got off to a good start by appointing committees to sponsor a Thanksgiving observance program for the upper classes. At Senate meeting, they have given and led attention to the prisoners and have fixed their report to the grave, how, at the end of the first year, the Freeman Club is going forward to the top and a statement of return next to the 1916 program.

The Sodasists of the Blessed Virgin Mary, faithful to the promise of the Sodasists, a firm and tender devotion to Our Lady. The Sodasists, initiated by Father Ignace S.J., was held at the end of the first semester. Imbued with spirit, the students recited the rosary daily and shared their material gifts and prayers for the spread of Christ's Kingdom.

The most solemn and momentous event in the life of the Sodasists was the May Crowning. The senior girl prefect, Marguerite Bourgeois, prayerfully placed a wreath of roses on the halowed brow of our Queen and Mother.

Student Activities

Spanish reading invites relaxation.

Catalan orations enliven Latin Class

Languages and Fine Arts Open

The language and literature courses were deeply imbued with the character and culture of the various nations. The sophomore English classes displayed exhibits of climatic scenes of Shakespearean tragedy. The Spanish class was not outdone. Students enriched the study of Latin American countries by purchasing stamps and records, executing national dances and presenting shopping and home scenes in conversational Spanish.

As a result new interests were awakened among the language students and they began to understand better the international and international programs.

Vistas to New Horizons

In conformity with the Holy Father's wish that "Faith may guide the Arts," the Pomona Catholic Students have learned to appreciate and interpret beauty in a Christlike perspective. The creative urge was given expression in paintings, drawings, design, ceramics, leatherwork, and woodcraft.

Drafting, the language of the technical man, laid the necessary foundation for more advanced work in the fields of engineering, architecture, and construction.

Fidelian and Lance Staff

With the completion of the first yearbook the Fidelian Staff crystallized the dream of a fully-equipped and well-functioning senior high school. Despite hurdles and apparent failure the energetic staff workers displayed administrative and inventive talent and sacrificed generously their time during study periods, weekends, and after school.

Although the staff found pleasure in compiling this edition for the student body, may the Pomona Catholic students enjoy the memories of the year 1953.

Achieve Desired Goals

The Lance, a bimonthly paper, has aimed to give the students the school news in a fair and impartial manner. The school newspaper required hard work, cooperation, and serviceable teamwork. In the current year the reporters have demonstrated their literary talent by contributing news and features regularly.

Early in the year the newly appointed editors of the Fidelian staff were privileged to broaden and exchange their journalistic views by attending a Press Convention at Redlands University. On March 17th twenty-three Fidelian and Lance staff members participated in the Catholic Journalism Conference held in Long Beach.

Science education at every grade level has been organized at Pomona Catholic and presented so as to develop skills in reflective thinking and problem solving. The curriculum consists of ninth-grade general science, tenth-grade biology, eleventh-grade chemistry, and twelfth-grade physics. The flexible program permits the student to select science as a major, minor, or a graduate requirement.

Two outstanding science and math majors, John Barbazette and Jennie Beinart, were awarded the Bausch and Lomb Science Award for high scholastic achievement. Many students have developed scientific interests, attitudes and appreciation for biological and physical sciences, which may aid them in selecting future careers.

Christian Family Living

The Pomona Catholic High girls have been taught to assume the responsibility of a future homemaker through an integrated program of Christian Family Living. The religious, moral, social, physical, and psychological aspects were emphasized in the development of the Christian cultured woman.

In addition to the social graces, the program offered dress making, interior decorating, group planning, and organization.

Through the courtesy of the local gas company, demonstrations were frequently presented to the members of the Foods classes, and their knowledge was broadened by invitations to tours and exhibits.

SCIENCE CLUB: At the first meeting, the members of the Science Club discussed the importance of environmental science. They decided to focus on the study of ecosystems and the impact of human activities on the environment. The club members planned to conduct a series of experiments and field studies to investigate the effects of pollution on local wildlife. They also discussed the need for conservation efforts and the role of science in addressing environmental challenges. The club members agreed to meet regularly to share their findings and discuss the progress of their research.

Annunciation is the first scene of the Christmas Pageant.

"Joy to the World" filled the bedecked halls of Pomona Catholic High during the traditional Wreath Ceremony. The Seniors sang Christmas carols and extended greetings, which radiated cheer and happiness, to all their under classmates.

The Christmas Pageant pantomimed by the Freshmen, impressed the hearts profoundly as the students contemplated the ennobling scenes of the Annunciation, the Nativity and the Manifestation in Fred Waring's "A Song of Christmas," rendered by the Senior Gee Club.

BEE FOOTBALL SCORES

Team	Score
Barstow	25-6
Brea Olinda	14-0
Mary Star of the Sea	14-0
Santa Monica	14-0
Corona High	14-0

The end of the 1952 Spartan football campaign brought a bit of sadness to loyal rooters. After winning even straight league encounters, the Spartans lost out in their bid for a CIF playoff win as they were defeated by Barstow, 25-6. Their season record was 8 and 2. Victories over Brea Olinda, Mary Star of the Sea and Santa Monica were the big victories which the Spartans celebrated. They completely ran over all other league teams and dropped only one other tilt to Corona High. This record will stand not only as a cherished remembrance to the 1952 Spartan team, but it will rank as a worthy year of coaching in the mind of Head Coach John Francion.

The Bee squad will always remember George Greenlee for giving them a winning team. The Bees were not expected to win many games this season but picked up a 6 and 3 season for their effort.

The 153 var. 1 age squad competed for
season this year even though they were var.
1st age and not their own age group. They
George Greenlee squad was 1st place
1st age squad with 1st place in the first
string.

The junior sophomores and freshmen members have acquired needed experience which will be an asset to next year's basketball season.

Varsity Tracksters Have

Owing to the two years of able guidance by track coach Henry Pospychala, the Spartan varsity cindermen opened their 1953 campaign in March and showed dominance over rival Parochial League teams.

The varsity squad was the league title holder by virtue of their win in last year's five way meet. This season the Spartans were strong in 440, mile run, shot put, high jump, and the low hurdles. In their first three meets the squad practically took all three places.

By mid-March two school records were broken and another one set. Dick Meser tossed the shot put 45 feet 4 inches for one record and Ernie Ochoa found the time right for another school record of five feet nine inches in the high jump. Pete Ramos pole vaulted 9 feet six inches to establish the record.

Coach Pospychala tabbed this year's squad as the best Spartan team. His statement was verified when the squad captured their first two meets by overwhelming scores of 76 to 28 and 89 to 15.

Varsity Horsehide Nine Wins Third Championship

This year the varsity started out by turning back their first four rival league teams. It looked like a sure bet that the team would enter the CIF playoffs again this year.

The varsity was invited to participate in the 18th Annual 20-30 Invitational Tournament in which were entered 32 of the finest Southland prep baseball teams. Our first game was with Cathedral High and the Spartans opened up an 11 hit barrage to stem a 6 run last inning outburst by Cathedral and chalked up a 10-6 win.

They faced Santa Barbara next but were defeated by the Dons, 11-8. The Dons eventually went on to win the Tournament so the defeat was not so hard to take.

Thanks to Coach John Frampton the Spartans will probably get their third CIF playoff chance.

G.A.A.

The Girl's Athletic Association was "on the go" continually this year. With bicycling, ice skating, horseback riding, bowling and many other activities, the girls really earned the title of being "athletic." The big activity of the year sponsored by the G.A.A. was the Valentine Dance which was a huge success.

VOLLEYBALL

Teamwork, good serves and excellent players were outstanding features in the girls volleyball team this year. Although there were not too many games played, the team defeated Mater Lee twice. The game with St. Bernard's was a tight tie for fourth. The final score was 15 to 13 won for the opponent.

 Edwards, S. Tesser, M. Morrow

Varsity Invited to

An exciting game took place the afternoon of March 13th at the Long Beach Tournament, when P.C.H. Varsity Basketball Team overtook Marywood High, 40-22. As a result the girls journeyed back to Long Beach the following Sunday to meet Holy Family in a breath-taking but heart breaking contest.

The opponents emerged victorious by racking up 3 points in the last minute of the game. The score was Holy Family 33 to Pomona's 30
